Mr. T. Moran,

A Chara,

Following an exchange of views between officers of the Provisional National Executive resident in London, it was agreed to make an initial advance of £12 to your Council to meet the salary and expenses of the Organiser in the Liverpool Zone, pending the next meeting of the Executive, at which the rate of the Organisers' remuneration will be decided.

I am forwarding herewith a cheque for the amount mentioned and would be glad to have an acknowledgment of receipt in due course.

Best wishes for the success of your work.

Hon. Secretary,
The Provisional National Executive.
